2026 NH CLS KICKOFF BREAKFAST SPONSORSHIP LEVELS

MAKING ACCESS TO JUSTICE A REALITY FOR ALL.

JUSTICE IN NEW HAMPSHIRE IS AT RISK.

For over 25 years, the NH Campaign for Legal Services has rallied community support to ensure that our state's most vulnerable neighbors have access to justice. But today, changes in federal funding threaten to leave thousands without the help they need.

Every year, more than 12,000 Granite Staters ask for help with life-altering civil legal issues. Yet countless others are turned away. And we know the need is far greater—up to 90% of people facing a civil legal crisis never receive help at all.

YOUR SUPPORT CAN CHANGE THAT.

With your investment, legal aid clients can:

- Escape abuse with a protective order
- Prevent illegal evictions and foreclosures
- Secure vital health care and nutrition benefits
- Remove barriers like old criminal records or tax debts
- Ensure their children receive the education they deserve

Behind every case is a family, a home, a future. Without your support, those futures are at risk. Legal aid attorneys and paralegals, supported by pro bono volunteers who donate hundreds of thousands of dollars' worth of legal time each year, fight every day to keep families safe, housed, and healthy. But they cannot do it alone.

Every \$1 invested in legal aid returns \$7 in economic value.
That means safer communities, stronger families, and a more stable workforces across New Hampshire.

This year, your sponsorship is more than generosity; it is a lifeline. Your gift sustains legal aid when federal funding falls short and ensures that justice isn't just for those who can afford it.

Outlined below is our 2026 sponsorship package. Please join us.
Together, we can make sure every Granite Stater has a fair chance.
